MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : White House Fellows Conference

1. The Director of Training has advised me that Mr. Allen Dulles met with the White House Fellows on 23 September. Dr. Kirst of the White House Fellows Commission described the session as "a chat with a very fine man." Mr. Dulles' presentation was mostly reminiscences of his years in intelligence--a sort of rambling discussion of what he seemed to believe to be the highlights of his intelligence career.

2. He made no comment on events that occurred after his departure from CIA. The Fellows' questions were of a very specific nature and dealt with events during Mr. Dulles' tenure as Director including the U-2 incident and the Bay of Pigs. Dr. Kirst said that he did not go into depth in anything so there is no real danger of any great duplication.
